(b) if so, the details thereof, State-wise particularly in Maharashtra; and

(c) the names of railway stations computerised and to be computerised in Maharashtra during the current and the next year?

Answer

MINISTER OF STATE IN THE MINISTRY OF RAILWAYS (SHRI DIGVIJAY SINGH)

(a) to (c): A statement is attached.

STATEMENTREFERRED TO IN REPLY TO PARTS (a) to (c) OF UNSTARREDQUESTION NO. 3021 BY SHRI CHINTAMA WANAGA TO BE ANSWERED IN LOK SABHA ON 10.08.2000 REGARDING USE OF INFORMATION TECHNOLOGY.

(a) Yes, Sir. The Railways have already computerised Passenger Reservation Services. A blueprint for computerisation of Freight Operation Services has been made and one of the two important applications has been operationalised on Northern Railway. Pilot projects in the areas of personnel management, procurement and inventory control, workshop managements are at different stages of implementation at the Divisional and Zonal levels. Use of computer telephony integration in the passenger interface areas is being increasingly introduced.

(b) 507 Projects have been executed/under execution by Indian Railways during last 3 years in the area of computerisation and Information Technology as detailed in Appendix - I.

85 Projects have been executed/under execution in the State of Maharashtra as indicated in Appendix-II.

(c) The names of computerised reservation centres in Maharashtra are given in Appendix-III. The names of locations in Maharashtra which have been included in Annual Plan 2000-01 for provision of computerised reservation facilities are given in Appendix-IV. Decision for computerisation of Stations in the next financial year will be taken at the stage of finalisation of Annual Plan 2001-2002.
